## CRAZY ABOUT STRIPES!

Stripes have been in fashion for years. Now they also appear behind the trade counter. Chef jacket Pascal reinterprets the classic striped pattern: as a fashionable detail on sleeves, pockets and on the sides.

Obviously the stripes bring best JOBELINE quality. Because they are finely woven, do not wash out and do not fade. In other words: Your new favorite pattern will remain your favorite pattern for a long time.

You can not get enough of stripes? Together with apron Sonora (see p. 25), chef jacket Pascal forms the perfect striped double. Try it!

## WERIN TEC LIGHT

Even thinner, even more lightweight: our functional material WERIN TEC is now also available in Light. WERIN TEC LIGHT is in no way inferior to its big brother: the fabric is breathable, dries quickly and cools by dissipating the retained heat on the skin. Only difference: it is even more lightweight - and thus the ideal material for a chef's jacket.

# CHEF JACKET OF THE LUXURY CLASS

JOBELINE brings luxury in the kitchen: the exclusive fabric of chef jackets Amanda & Adam is made of a 120/3-fold twist, which is otherwise only found in high-quality men's shirts in the luxury segment.

So the pleasantly fine, thin and yet durable material spoils your skin and also has temperature-compensating characteristics. Over the years, thanks to the anti-pill effect, Amanda & Adam are getting softer and softer - a wonderful, incomparable luxury to indulge in.

Of course, you want to enjoy your new JOBELINE products for a long time. That's exactly what we want, too. That's why we do not take every product into our range. Any product must provide highest quality. In order to guarantee that, we constantly check our high quality criteria and standards.

And you can also do something: Please note the washing and care instructions as well as the indicated maximum temperatures. Many JOBELINE products are washable at 60 °C, sometimes even boil-proof and chlorine resistant, depending on the indication in the textile. These temperatures keep your laundry clean and hygienic.

Hardly anything is as annoying as white shirts that are suddenly pink. That is why it is not only important in gastronomy to sort your laundry and wash similar colors together. Never mix white laundry with colored laundry. Do not put too much laundry in your washing machine. This helps you to avoid unnecessary wrinkling and can often save you from ironing. For colored laundry use a detergent without bleach. Quite normal and no cause for concern: all products can shrink up to 3%.

You need more information about washing and care? Have a look at [www.horeca.gr](http://www.horeca.gr).

Service hotline: Mon to Thu 07.30 am – 0 5.00 pm, Fri 07.30 am – 03.30 pm phone: +30 210 4100 444, fax: +30 210 4100 443, e-mail: info@horeca.gr, online-shop: www.horeca.gr  
Our goods are exclusively offered to commercial consumers.

Our deliveries, services and offers are provided exclusively on the basis of these General Terms and Conditions which shall also apply to all future business relationships even if they are not expressly agreed again. Your or any third party's terms and conditions of business shall not apply even if we do not object to their application in a particular case.

The contract language shall only be German or English.

You can access and print out our currently valid General Terms and Conditions at the following website: www.horeca.gr.

## 2 Conclusion of contract

The presentation of goods in the online shops, catalogues and advertisements shall not be binding offers to conclude a purchase agreement. Rather, such presentation shall represent a non-binding invitation to order goods by phone, fax, e-mail or online.

Upon receipt of your order, we shall check whether the articles ordered are available and we shall then make an individual offer which you may accept in writing or by paying the purchase price. We shall be bound to our offer for a period of 14 days.

A purchase agreement for the goods or services shall be concluded only if you pay the amount stated in the offer or expressly accept our offer in writing. Sending an e-mail shall be sufficient as written acceptance.

## 3 Prices

Prices apply to the extent of delivery and services stated in our individual offer. Prices are quoted in EURO ex works, plus packaging and shipping charges and, where applicable, plus statutory value-added tax. Customs fees, charges and other public levies shall be paid by the recipient.

## 4 Payment terms

Our individual offers may be paid for at your option by bank transfer, by credit card (VISA/MasterCard) or via Paypal.

## 5 Set-off; right of retention

You shall have a right of set-off only if your counter-claim has been determined without further legal recourse or is not disputed by us.

You may exercise a right of retention only where your counter-claim is based on the same contractual relationship.

## 6 Place of fulfillment, delivery; retention of title

The place of fulfillment for all obligations under this contractual relationship shall be Πειραιάς, Germany unless otherwise stated.

We shall select the mode of dispatch and the kind of packaging according to our best judgement. Unless otherwise agreed, goods shall be delivered upon receipt of payment ex our warehouse to the delivery address specified by you.

The goods shall remain our property until full payment of the purchase price.

Any dates or periods for the delivery of goods or the provision of services announced by us shall always be without commitment, unless we promise a fixed period or date. With regard to the dispatch of goods, any delivery period or delivery date shall refer to the time of hand-over to the carrier, haulage contractor or other third party engaged by us for shipment.

Although, in principle, we make delivery to any place in the world, we reserve the right to decide on the delivery of goods ordered in each particular case.

We shall not be liable for any inability to deliver or any delay of delivery where this is caused by force majeure or any other circumstance which was unforeseeable at the time the contract was con-

cluded. We shall be entitled to rescind the contract if such circumstances make delivery or service provision by us substantially difficult or impossible. Where such impediment is just of a temporary nature, the delivery and service provision deadlines shall be extended accordingly.

We shall be entitled to make partial delivery if you can use the part of the delivery supplied to you in accordance with the contractual purpose, this does not cause any unacceptable additional expense to you and delivery of the remaining goods is ensured.

We reserve title to the goods until complete settlement of all claims under the current business relationship. Prior to transfer of ownership of the goods under reservation of title, pledging or assignment as security shall not be permitted.

## 7 Right to return goods

You buy without risk because you are entitled to return the goods within ten days of receipt of the goods. This right does not apply to any goods already used or soiled which are made to customer specifications (e.g. hotel name printing) or are clearly tailored to personal requirements. To exercise your right of return, send the unused and clean goods back to us at your own expense, if possible in their original packaging, otherwise in a comparable safe packaging together with all accessories and all packaging components.

## 8 Warranty

The warranty period shall be one year from delivery of the goods.

You are obligated to inspect the goods for quality defects and incorrect quantity without delay and with due diligence and notify us of any apparent defects within seven days of receipt of the goods. It shall be sufficient if the notice of defects is dispatched within the time limit. This shall also apply to any hidden defect detected later with respect to the time of detection. Warranty claims cannot be asserted if you fail to comply with your duty to inspect and notify us of a defect.

In the event of any defect, we shall at our option make subsequent improvement or substitute delivery (supplementary performance). In the case of subsequent improvement, we shall not have to bear the additional costs caused by the goods having been brought to a place other than the place of fulfillment, unless where such transfer is in compliance with the intended use of the goods. If supplementary performance fails twice, you shall be entitled at your option to demand abatement or rescind the contract.

## 9 Liability

Unlimited liability: We shall be liable for wilful intent and gross negligence. In the event of slight negligence, we shall be liable in accordance with the provisions of the product liability act and for any damage caused by injury to life, body or health of any person.

Limitation of liability: Apart from that, we shall be liable in any case of slight negligence only for a breach of a material contractual obligation, i.e. a contractual obligation fulfillment which enables the proper performance of the contract in the first place and on which the contractual partner may typically rely. This limitation of liability shall also apply for the benefit of our vicarious agents.

## 10 Final provisions

Should any of the provisions of these General Terms and Conditions be or become invalid, this shall not affect the validity of the remaining provisions.

Should any provision which is actually necessary not be contained in the contract concluded between you and us or in these General Terms and Conditions, the parties hereto undertake to agree upon a valid provision which they would have agreed, taking account of their commercial goals, if they had realised the gap.

Any contract between you and us shall be governed exclusively by German law, excluding application of the United Nations Convention on Contracts for the International Sale of Goods (CISG).

The place of jurisdiction for any dispute arising from or in connection with a contract concluded between you and us shall be Πειραιάς, Germany.
